## Park and Ride

As an alternative to city centre parking, Park and Ride services operate from:

- **Pride Park, off the A52 and A6, next to the football stadium.** Regular buses run every 10 minutes, from 7am to 7pm, Monday to Saturday. Pride Park and Ride does not operate on Saturdays when Derby County are playing at home.
- **The Meteor Centre off the A608 Mansfield Road.** Monday to Friday - 7.30am to 6pm, every 15 minutes. Saturday - 8.30am to 6pm, every 10 minutes.

## HGV parking

Parking for HGVs is available at the Cattle Market on Chequers Road.

## Blue Badge holder parking

Blue Badge holders can park for **free for up to three hours**:

- in specially-allocated spaces in Council-owned car parks
  - in dedicated on-street parking spaces
- And **free unlimited** parking:
- in areas covered by on-street charging and limited waiting
  - in areas covered by residents-only parking schemes.

## Council customer service centre

Based at The Council House the centre provides a one stop shop for all Council services, including parking services and buying season tickets.

## On-street parking

### Pay and display

Derby city centre has a pay and display charging system. Charges have to be paid on many streets within the city and apply every day, including Bank Holidays.

### Motorcycles

Can park free up to the maximum stay that applies in the marked bays.

### Residents

If you live on one of the streets affected by the pay and display charging, it is likely that you qualify for a residents parking permit.

## Parking enforcement

The City Council employs a team of civil enforcement officers who regularly patrol the car parks and on-street parking restrictions to:

- provide help and advice
- improve security with the help of CCTV
- enforcement of motorists who park irresponsibly across footway crossings or double park.
- check tickets.

When parking in pay and display areas please make sure that you buy a ticket immediately after parking your vehicle and that you return before the expiry time of your ticket. The pay and display machines don't give change. Make sure you have the correct change to pay for your parking or you may have to make an overpayment.

The map overleaf is a guide only and restrictions may change. You must always check the signs and markings to make sure that you are parked legally.
